RE : *Dr. Gábor Lukács v. Canadian Transport Agency (A-218-14)*

DIRECTION

By letter dated February 18, 2105. The applicant sought direction concerning:

- i) How to add a memorandum of fact and law filed by the Canadian Transportation Agency in an unrelated proceeding before the Federal Court (T-1659-08) to the record before the Court; and
- ii) The propriety of the inclusion of two documents in the book of authorities filed by the Privacy Commissioner.

The panel hearing the application will hear submissions from the parties at the outset of the hearing about the propriety of receiving the new documents sought by the applicant and the propriety of the two impugned documents in the Commissioner's book of authorities.

The applicant should have four copies of the memorandum of fact and law and the affidavit in the event the panel wishes to review them.
